Registration and Deposit

You must submit a completed application form when applying for a place.

Registration Fee: £200

Refundable Deposit: £100

The £100 deposit is payable when accepting an offered place and is refundable when your child leaves, provided they have attended for at least six months and one full calendar month's written notice has been given.

For children accessing only their funded entitlement, registration and deposit arrangements will be applied in accordance with current Early Years Entitlement requirements.

Registration does not guarantee that the requested start date or sessions will be available.

Payment

Fees for fee-paid hours and any optional services selected are payable by the 10th of each month. Invoices will clearly identify:

- funded entitlement hours
- additional privately paid hours
- food/snack charges
- any non-food consumables
- optional enhanced activity charges

Annual Fee Review

Nursery fees are reviewed annually, and any revised fees normally take effect from 1 April each year. Parents will be notified in advance of any changes.

General Conditions

Children should be collected promptly. Late collection charges may apply where a child is collected more than 10 minutes after their booked collection time.

Our billing periods are September–December, January–April and May–August.

Where a child's fee rate changes because of their age, the revised rate will take effect from the first day of the following billing period.

Fees for fee-paid booked sessions are not normally refunded where a child is absent due to sickness or holiday.

In exceptional circumstances where the nursery has to close, the nursery's closure and refund arrangements will apply in accordance with our Terms and Conditions.

Full terms relating to fees, notice periods, funded places and nursery attendance are provided in our Parents' Handbook and Terms and Conditions.
